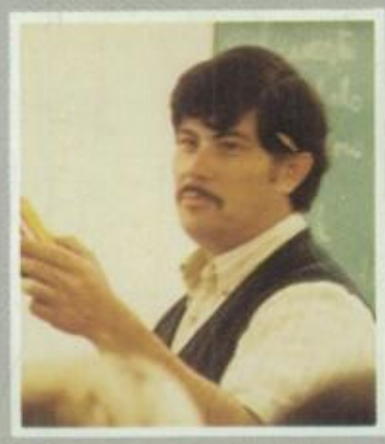
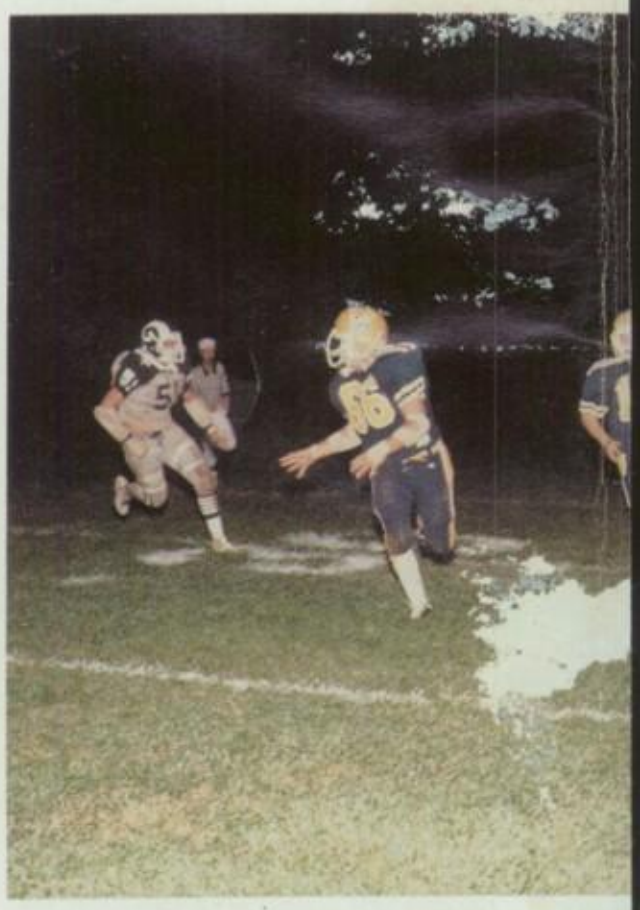
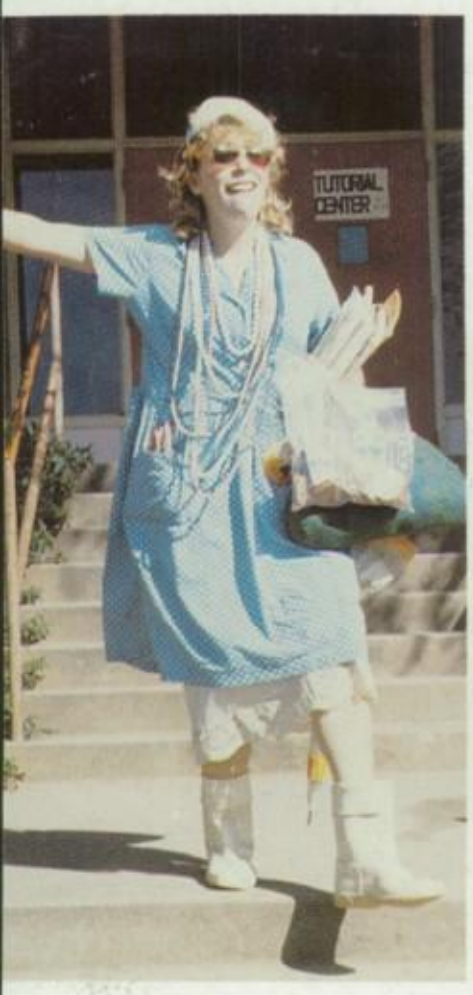
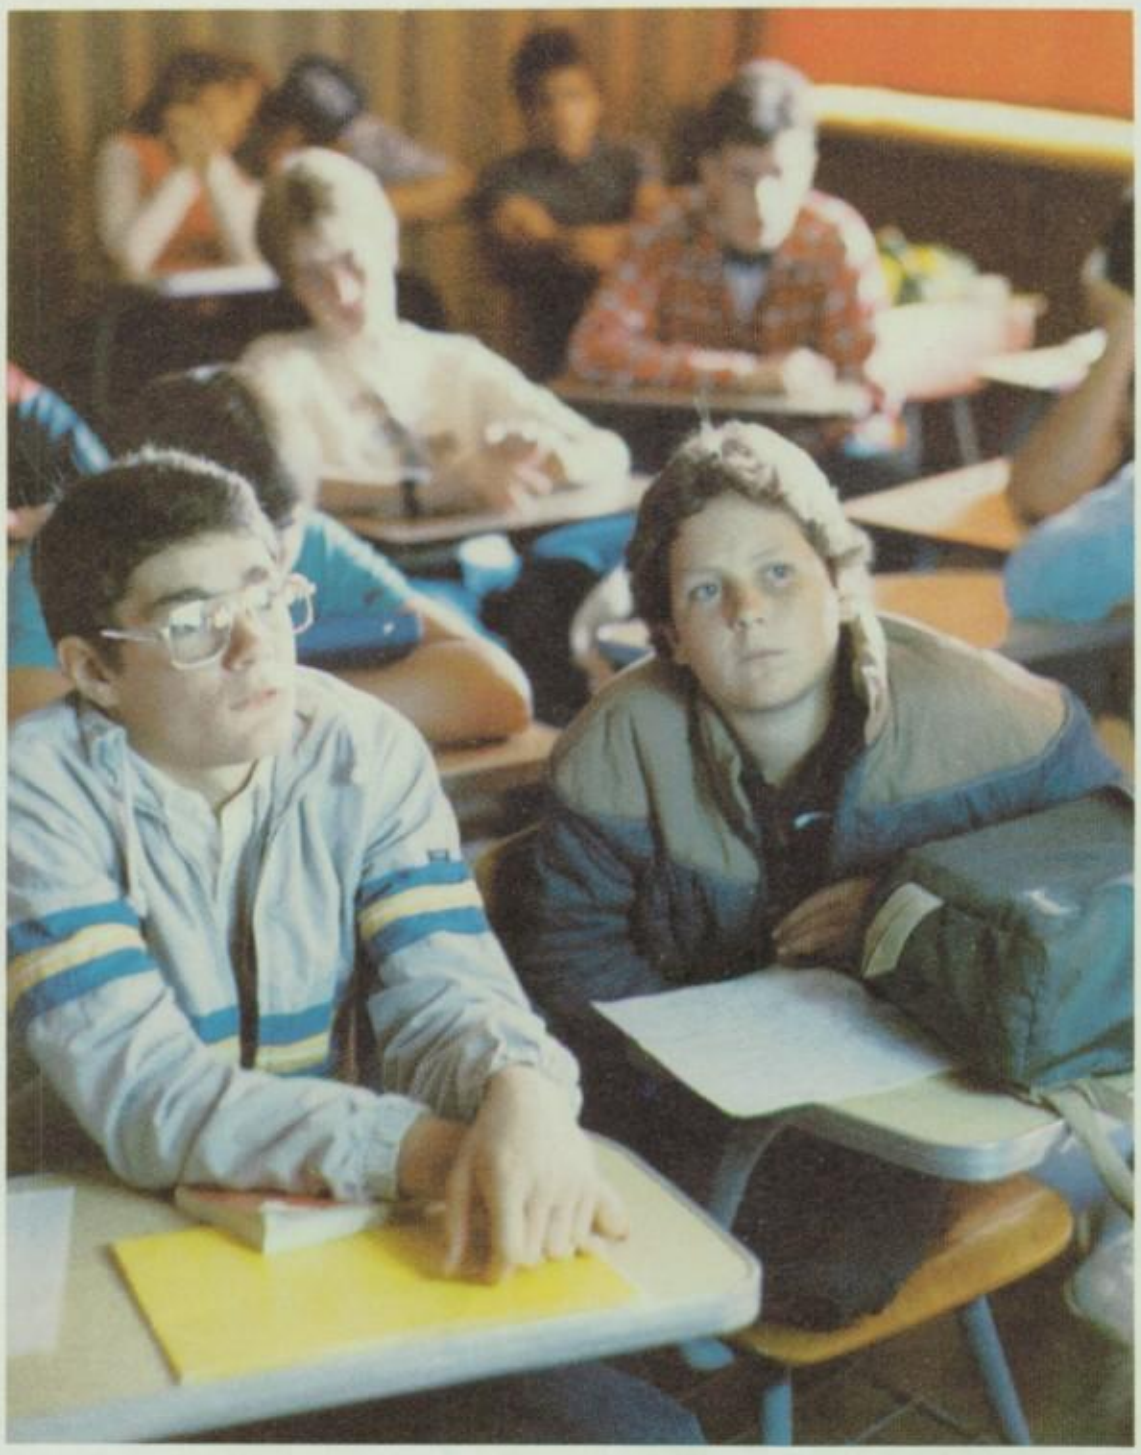
MAKING FRIENDS

Watch Out! Friends are lurking everywhere, waiting to be discovered. They form teams, clubs, cliques and memories. Relationships become stronger through car rides, copied homework, sips of Diet Coke, and borrowed coins.

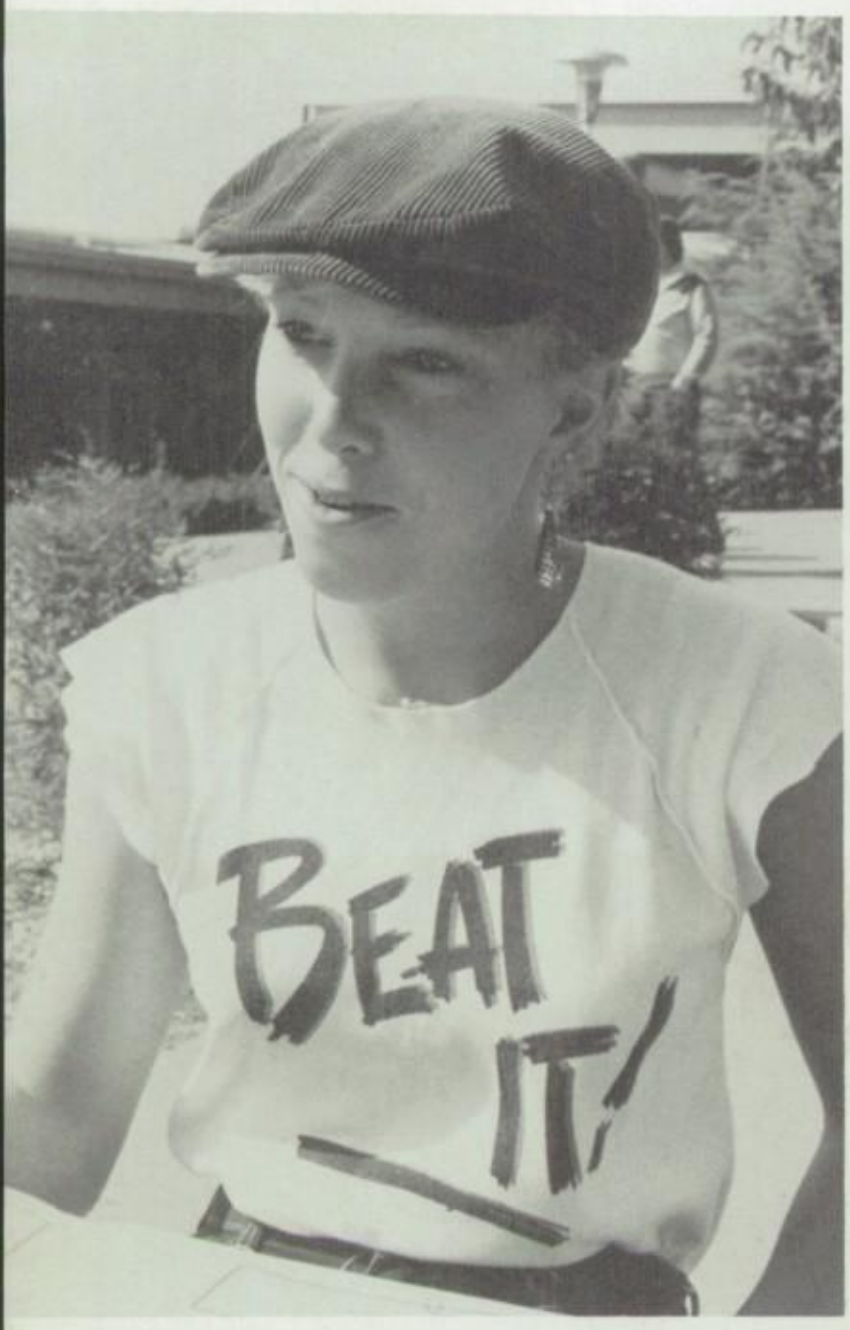




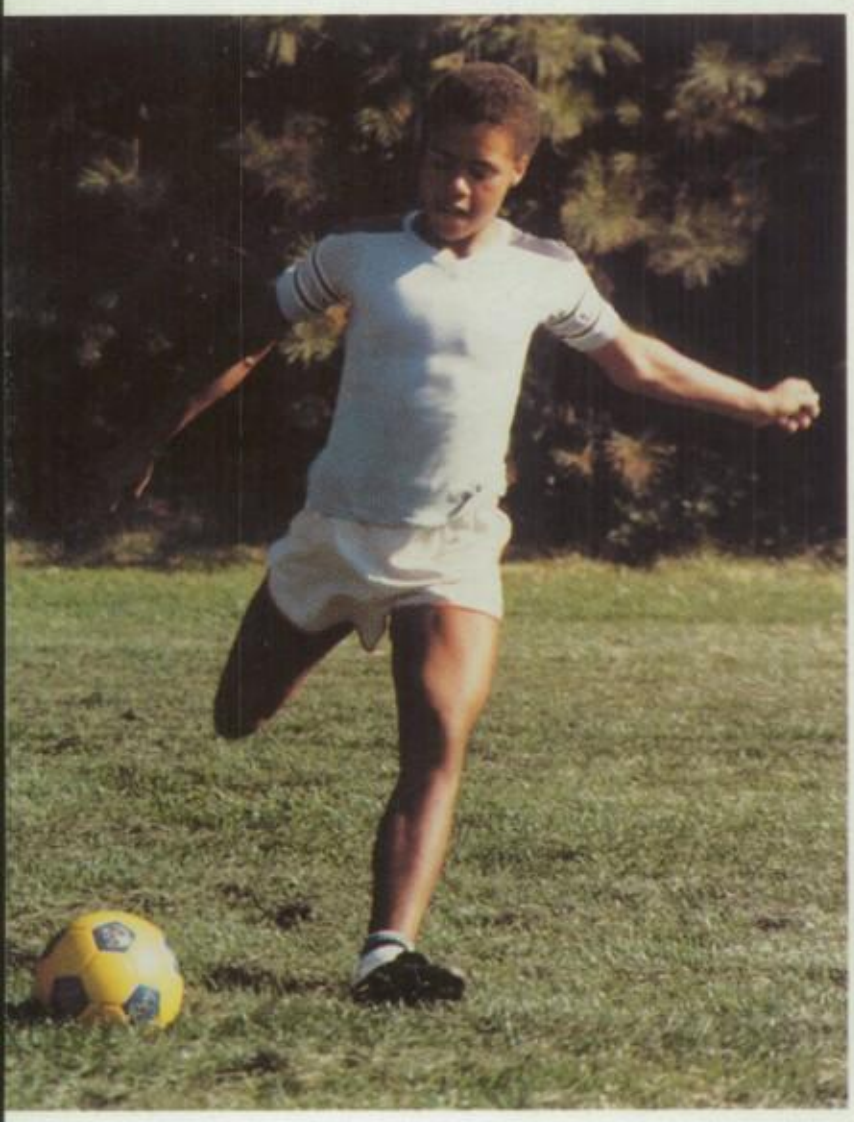




TRENDS



Cruising . . . the art of going everywhere and getting nowhere. Jam to Glenbrook for a Whopper, Big Mac, taco, or BBQ beef. Gas up at AM-PM and down a 32 ouncer. Head to Mountain Mike's, Rico's, or Round Table. Then it's dessert at A&W, Hamburger Station, Swenson's, or Dennys. There's still room for a frozen yogurt. What, no wheels . . . cruise the crowded halls and stairways of campus. Catch the Frosh gossip while you wait for your burrito . . . mm, mm, good!



ARE

ENTERTAINMENT

Shows . . . Catch the movies at Del Oro and Cinema. Throw popcorn to the antics of "Gremlins", beware of the slime from "Ghostbusters", and trip out to "Revenge of the Nerds". The Tube . . . Race home to see Bo and Hope steam up your afternoon in "Days of Our Lives". In the evening put homework aside and watch "The A-Team", "Magnum", "Dynasty", "Remington Steele", "Simon and Simon", "Hill Street Blues", or "Cheers".

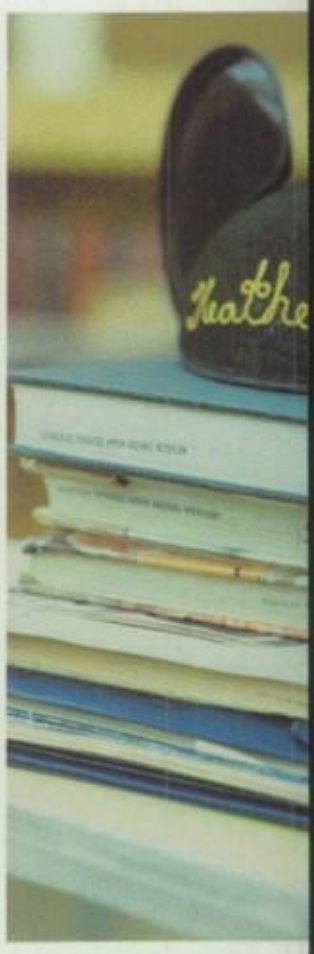
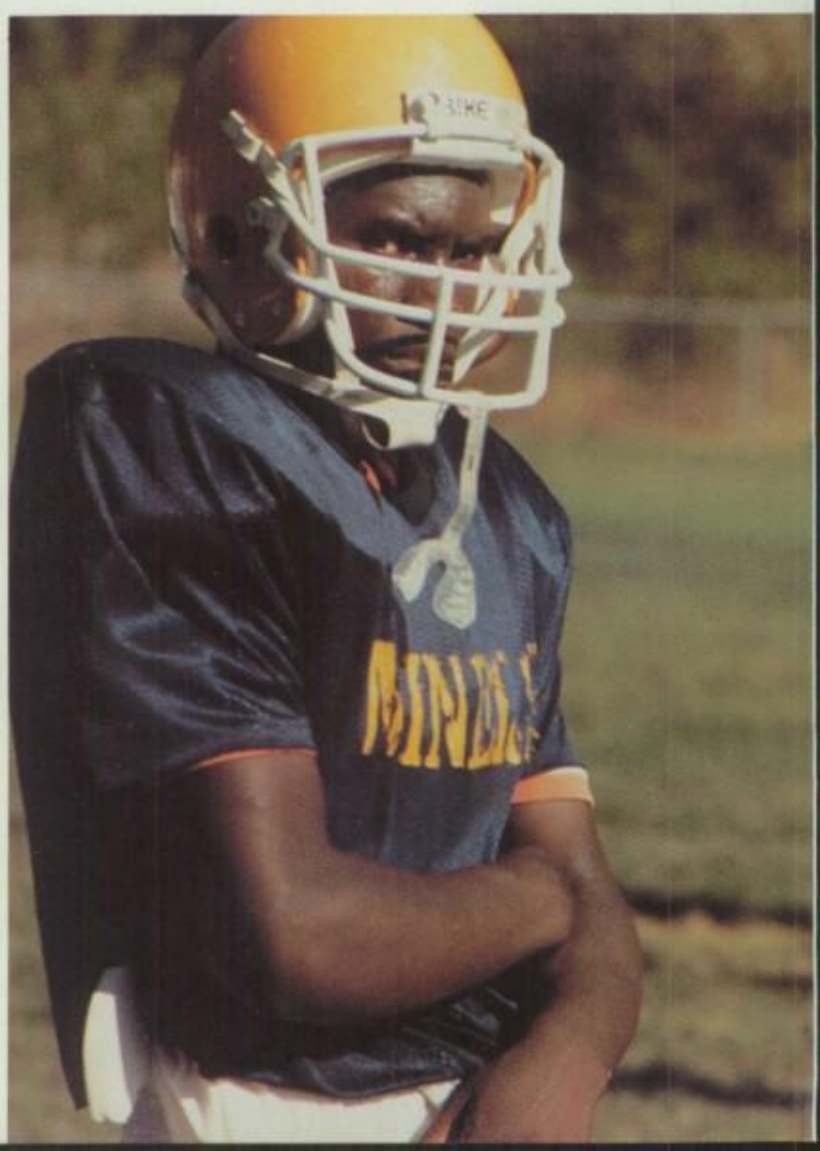
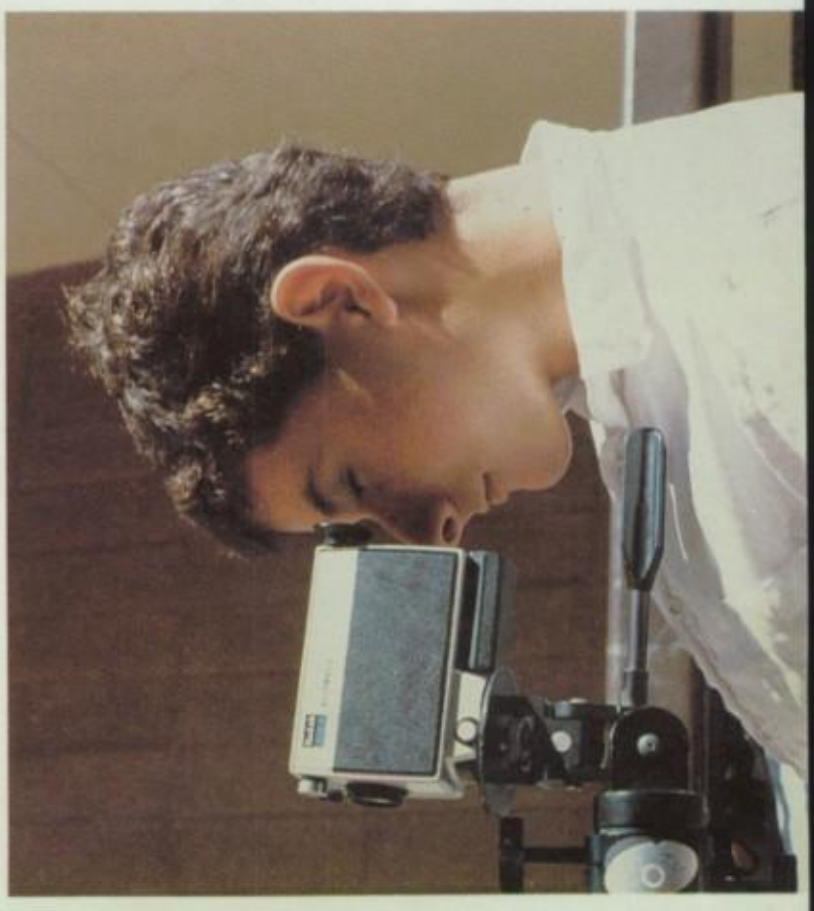
ENTERTAINMENT

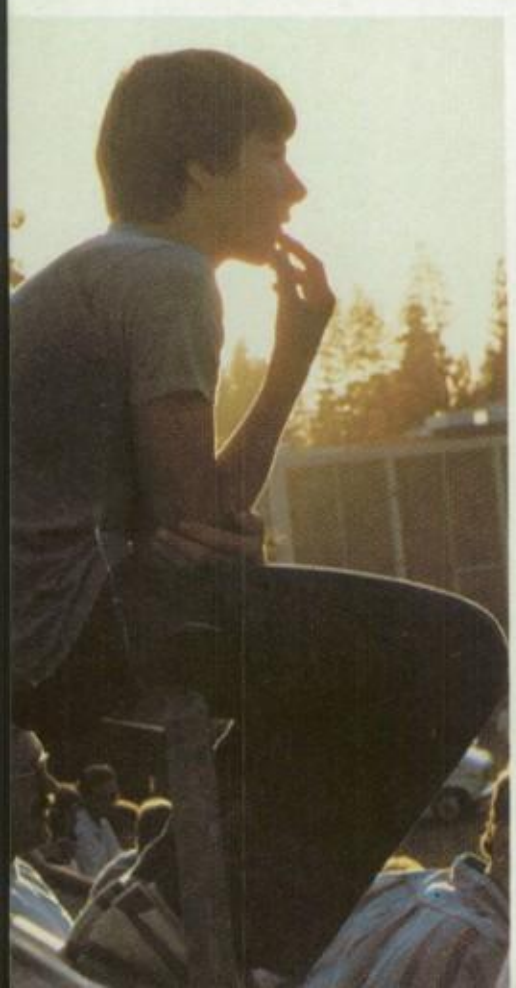
Tunes . . . Mix up your music. There's a beat for everyone . . . new wave, heavy metal, country, pop, rock, punk, and breaking. No matter how early you have to rise on the weekend, stay up and watch Friday Night Videos. Tune into KPOP, KZAP, KAER, FM-102, KMEL, KROR, AND KOAK. For hometown news, Miner games, and snow reports, hit KNCO.

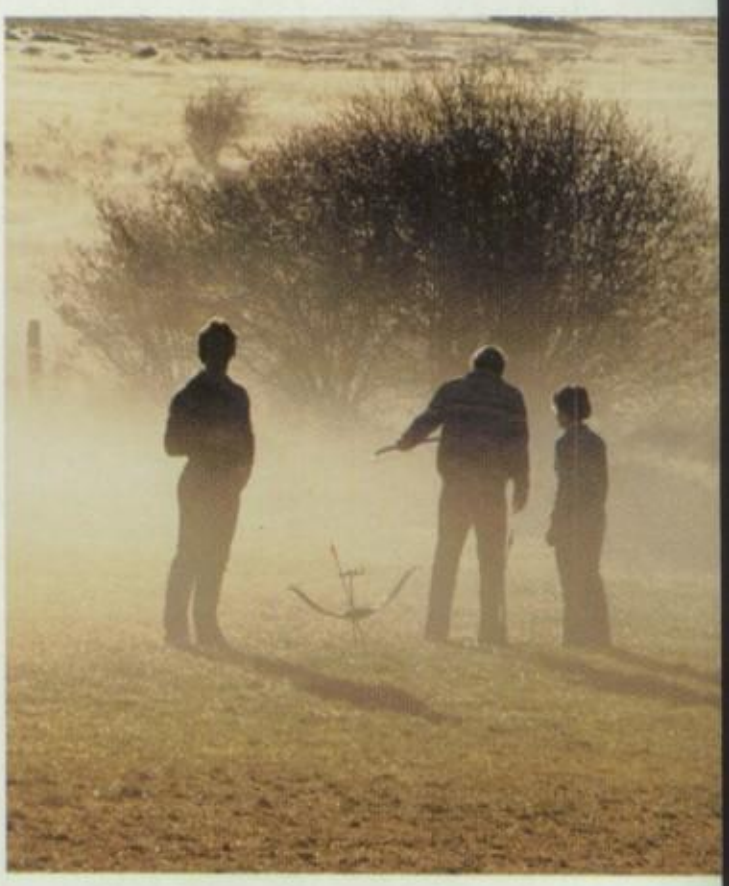






DURAN
DURAN

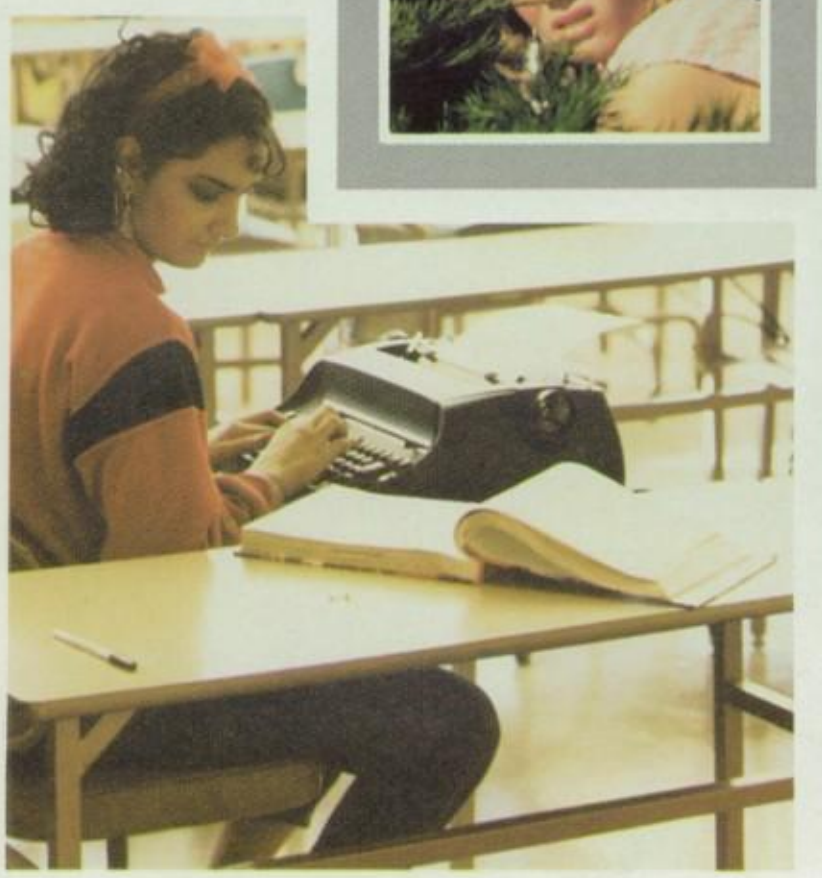




TAKE

GETTING THERE

If the bus is late on those frosty mornings, clutch your books a little tighter for added warmth. Peer often into the foggy darkness for those friendly headlights. Check your watch, hastily do last night's homework, and make "convo" with friends.



RECREATION

Oh, sure you'll miss ice skating, going to drive-in movies, walking the shopping malls, and surfing, but breath our mountain air, swim in our rivers, water ski in our lakes, and hit the slopes . . . there's something for everyone.

Where's The Beef? On The Football Field!

The Varsity football team started out the season with a new coach, Randy Blankenship. He led the Miners to victory over Burbank, Yuba City, Johnson, Grant, Casa Roble, Bella Vista, and San Juan. The Miners made it to the CAL championship playoffs, but after a close game against Elk Grove, the season ended.

Varsity shows strength in tourney play

The Varsity Volleyball team had an excellent season. By press time the 10 girls had a record of 27-2. The Miners won tournament championships at the NU, Placer, and Hiram Johnson invitationals, and finished second in the CIF San-Joaquin Section AAA Tournament of Champions. They went on to play in the CIF NorCal Regional Championships.

Splish, Splash

A relatively new Waterpolo team completed its second year of competition. The Varsity team, coached by Richard Glass, finished its season with four wins and four losses. Don Morgan, this years new JV coach, led the team to a six win, two loss result. Due to a broken pool heater, the Waterpolo teams were unable to have their last home game, necessitating the use of other facilities to close the season.

We Make Our Point

The JV team had excellent results this year. Coach Brett Taylor said he was pleased with the hustle his team had displayed in the games and practices. Standouts were Derek Gilliland and Tom Donnell on defense, and Jesse Moore as the most consistent offensive player. The team was highly rated, having one of the best records in the CAL.

Strong finish shows gals near top

The Varsity basketball team placed third in its league with triumphs over Grant, Placer, Bella Vista, Del Campo, San Juan, and Casa Roble. Kim Rice and Stephanie Weatherly were consistent offensive strengths for the Miners. The Miners also said goodbye to Coach Craig Strohm because this was his last year of coaching.

JV gals show steam but lack triumphant power

The JV girls basketball team placed third in the league with a record of 15-5. They had to adjust to a new coach, Gary Musik, just as the season started. The flu bug hit the team hard and was responsible for the loss of several close games. Some of the key players were Kristin "The Rock" Sylvia, Christine Keller, Linda Simila, Kara Michlen, and Amy Wilson.

"This was a building year for the Nevada Union Wrestling Team" said Coach Martin Vogt. The team was pretty young this year with only two Seniors. The Most Valuable Player award was given to Archer Ives. He placed second in the league, third in the Sparks Tournament and first in the Rancho Cotate Tournament. Brian Figueroa was another strong wrestler. He placed second in the Sparks Tournament, third in the Roseville Tournament, and third in the Rancho Cotate Tournament. Coach Vogt commented that Eric Shonk showed intensity and that Eric Wood, Randy Blankenship, Andrew Danforth, Kirk Cook and Jon Pingree were doing well.

Swimmers Take The Plunge

This year's swimming and diving teams had a lot of talent. Coach Ken Ramirez said "the talent was growing every day. Everyone was dedicated, enthusiastic and team oriented." Many team members came in the morning to practice, as well as after school, to seek self-improvement on their own time. Every member of the swim team swam between 120 and 200 laps a day. Matt Sturgeon was the fastest JV swimmer in the breaststroke. Eric Woods and Jon Renner were the fastest JV freestyle swimmers and Brent Lindke and Andy Fowler were the strongest JV swimmers in the back stroke.

You're All Wet!

The girls swim team started practicing soon after Christmas vacation. At that time there was some doubt that Senior Allison Foote, who had been in an auto accident earlier in the fall, might not be able to swim with the team in the spring. She was able to return to school by the second semester, and participated with the girls varsity team. In the spring two foreign exchange students were able to swim with the vrsity team, Maryie Hartog of Holland and Helanis Tormela of Finland. The team was strong all around.

Dampness makes diamond sparkle

The homefield advantage was non-existent for the varsity baseball team as rain, hail and snow continued to wipe out the NU diamonds. Some of the team members giving strong performances were Rob Duxbury, shortstop; Guy Selleck, first base; Robert Shelby and John Pietrantonio, pitchers; and Tom Callagy, catcher. The team lost a heartbreak opener to number one ranked uba City, 1-2. The team was looking for consistency with a winning attitude to rank high in the standings.

Strike Three

The baseball team consisted of 14 players, both freshmen and sophomores. They played 18 season games and were rated in the top 20 in Northern California. Countless hours of after school practice by Coach Brian Bishop and assistant Coach Chris Bishop helped the team to secure its impressive standing.

Let's Play Ball . . .

This year, the Varsity Team consisted of about 15 members. Returning to the team again this year were Jill Kochis and Crystal Dougan. Also, returning to the team for the second year was Coach Murphy. Because of bad weather, the team had to practice indoors quite a bit. In spite of the bad weather, the girls were hoping for a great season.

Come On Home!

After being delayed by the annual spring rains, the JV softball team fared well against stiff competition from league rivals Del Campo and Bella Vista. Pitchers Amy Wilson, the only player returning from last year, Donica Donahue and Julie Brooks led the team. Second baseman Kari Tadman had an excellent season on the basepaths.

Talent Earns Net Profit

The NU players felt good about the year; they were right. Coach Pat Houlihan led his varsity team through a very successful season. It was a strong year for many of the returning Seniors. Lain Hensley and Bob Earhart were top singles players, and Jack Corbett and Dan Egoroff led the double teams.

Third and final call, varsity mile relay . . .

The Boys Varsity track team had a good season. Probably the strongest aspect if the team was its depth. All of the Seniors and the majority of the juniors returned from last year. Key performers were hurdlers Brendan Lewis and Brad Angove, distance runners Allen Williams and Mike McAlister and long jumper Chris Duccini.

(Above) Senior Russell Bryant strains as he clears a hurdle in a home meet.

A Step Ahead

Many talented freshmen and JV athletes offered their skills to produce one of the best teams ever in either division. The JV team took the season opener in defeating Del Oro and Colfax High Schools. The standouts for the freshmen were Jeff Gerden and Dave Tecklin in the distance events while Danny Lewis and Adam Rechs performed well in the shorter races. Chris Bray and Ray Stillwell gave the JV's many distance race wins, and the weight events were dominated by Kevin Marks.

This marked the second year for girls soccer. With Coach Arce's help the team improved greatly over last year. Although the snow slowed the girls down, it did not stop them. They continued to practice no matter what.

(Above) Jim Parrish puts one on to the green. Parrish was a medalist at the Chico Invitational with a score of 72.

The golf season ran from March to May with 22 tournaments. Under the technical advice of Coach Tom Donnell the team looked strong winning their league opener against Roseville 193-218.

(Below) Tammy Fassino waits for the birdie while playing doubles.

The Expansion Of Great Minds And Spirits

The Junior Statesmen of America organization was for students interested in current affairs and the political process. The highlights of the year were Fall State in San Francisco and Spring State in Sacramento. These days were marked by heated debates on a great many topics. Elections were hold for JSA state offices where delegates experienced the fervor of a convention.

The Outdoor Club grew to over 40 members under the advisorship of Mr. Mike Powell. The highlights of the year were a ski trip to Boreal in January and an overnight cross-country ski trip at Donner Lake in March.

Fly The Friendly Skies

The main purpose of the International Club is to promote a better understanding of the world by encouraging crosscultural experiences. For club meetings, foreign exchange students are invited to come and speak about their home country. For activities, the club had its annual ski trip, funded by selling carmeled apples at football games, and a trip to San Francisco. The officers were (first semester) Richard Baker, president, Julie Houser, vice president, Joe Linsey, secretary-/treasurer, (second semester)

(Above) Adrian Jimenez from Mexico studies outside during 7th period.

NU was priviledged to have several exchange students come and go to school here for a year. These students came from all over the world ... South Korea, Germany, Holland, Egypt, Finland, Japan, Brazil, Mexico, and Peru. The school also participated in a sister school exchange with Germany. Students came and stayed with NU families for three weeks, and during the summer students from NU went and stayed in German homes.

Brains And Brawn

FTA, the Future Teachers of America Club, was very active this year under the supervision of Mrs. Alice Norby. Events such as the 18th Annual Talent Show, mini-fair, carnation sale on Valentines Day, and the dance were very rewarding. The annual "Toys for Tots" campaign was a tremendous success according to FTA president, Sheila Ross. The donated toys brought bright smiles to the faces of our local youngsters.

CSF, the California Scholarship Federation, is an organization with a membership based on achieving high academic standing. Each member must receive at least four "A's" and a "B" each previous semester. The highlights of the year were the annual trip to San Francisco and a spring dance.

The powerlifting team was both a team and a club, with Eric Duncan as President and Richard Fowler as Vice President. Members met daily in the weight room. Most lifted to keep in shape for other sports, but some competed with other schools two or three times a year for the state championships.

This year, about 45 choir members are going to Europe. In Europe, they will visit Germany, Austria, France, Holland, and Switzerland. There were a couple of fundraisers for the trip, including a selling booster memberships, and a car wash. Concert Choir and Chamber Choir also sold stuffed animals and candy to help raise money for their outfits.

This year, there are more then 220 members enrolled in the choral program. There are several different groups, including Miners Chorus, Girls Ensemble, Chamber Choir, Concert Choir, and Mixed Chorus. The Choral Program holds two concerts a year, one in the winter and one in the spring. These concerts always have a very large turnout.

Great Sounds Around

The NU Marching Band Performed at every Friday night football game and at various other events. In the fall they played for the opening of hwy. 20, placed sixth in the Sierra Band Crusade in Reno, did well in the Lodi Tokay Band Review, and performed in both the San Jose Veterans Day Parade and the 75th Anniversary Holiday Parade in Roseville. In the spring the band hopes to compete in the Tracy Band Festival, the "Marching Bands West" in Sacramento, and the Eighth Annual Lincoln Band Review in Stockton.

More Than A Trip To Oz

The Nevada Union Theater stage came to life this year with three engagements. Under the direction of Mr. Paul Thompson "Going Ape", "Magic, Magic" and "The Wizard of Oz" were enjoyed by the student body and the community. The performance of "Oz" was a delight partly due to the assistance of Mr. David Segura, orchestra director; and Mr. Don Baggett, music director.

How To Be An Aggie

The Future Farmers of America (FFA) was the largest club on campus. Our chapter also had the most members of the Superior Region. The reason for its popularity was the adventure it gave, the learning experiences and the advisors behind the scenes. The club offered a year round livestock program. There were two shows involved, the Nevada County Fair in the summer and the Grand Nationals in the spring. It also had many activities such as the camping trip at Jackson Meadows, Picnics, and judging teams. Behind the Wranglers and Copenhagen Cans were a lot of beautiful people.

Headlines and Deadlines

The Prospector staff has been hard at work since the outset of the year. With 90% new members, the staff took rally pictures and covered other activities and sports events. As deadlines approached, beads of sweat rolled off their brows as they typed copy and designed layouts. Over one hundred local merchants contributed to the publication of this book. Many hours, rain and shine, were spent so that you would be able to hold this guide to memories.

The GOLDPAN, Nevada Union's news magazine, excitedly entered its third, fun-filled year of publication. Last year, the GOLDPAN's former Advisor George Olive set the price at 5¢ an issue. This year, Barbara Gearhart, the new advisor, kept the price the same. The thirteen members of the GOLDPAN staff kept their spirits high as they brought forth the biggest news scoops from around the school without fail. Once every three weeks, a new issue of the newspaper kept us informed of what was happening around us: the fads, the fashion, the music, the people, the places, the sports, the controversies of school policies and the NEWS.

How to Celebrate Homecoming with Style . . .

Homecoming week was an exciting week at NU. Students were seen in their pajamas, tourist clothing, and blue & gold. The activities continued through the night, as we beat Casa Roble and saw Lynnie Thoele crowned as our new Homecoming Queen. The Homecoming Dance brought many surprises to people not carrying their ID cards. The dance wrapped up the homecoming activities.

Powder Puff, a key to a good time

The Class of 85' took the Powder Puff game for the second time in a row. The Seniors won with an 8-6 victory. The Juniors had the ball in the last minute of the game but were unable to score. Senior quarterback Jill Koches and Junior quarterback Stacy Smith led their teams.

The Key Club grew by leaps and bounds this year. With a paid membership of 96 individuals, the club was the second largest on campus. This was due partly to the large success of the free pizza membership drive. Members served the community by hosting the Cuistice Fibrosis Walk-a-thon. The club put on the NUIT dance, which was a big success.

Its been so fun dissecting dead things with ya! Even though pulling out guts won't help us when we go to the unemployment office, it was still great. Youre sweet + also a cutie! * Im gonna miss ya! * I hope maybe someday we can get stuck on a deserted island or something 'cause your fun to be around.
Take 'er easy and don't become a num!

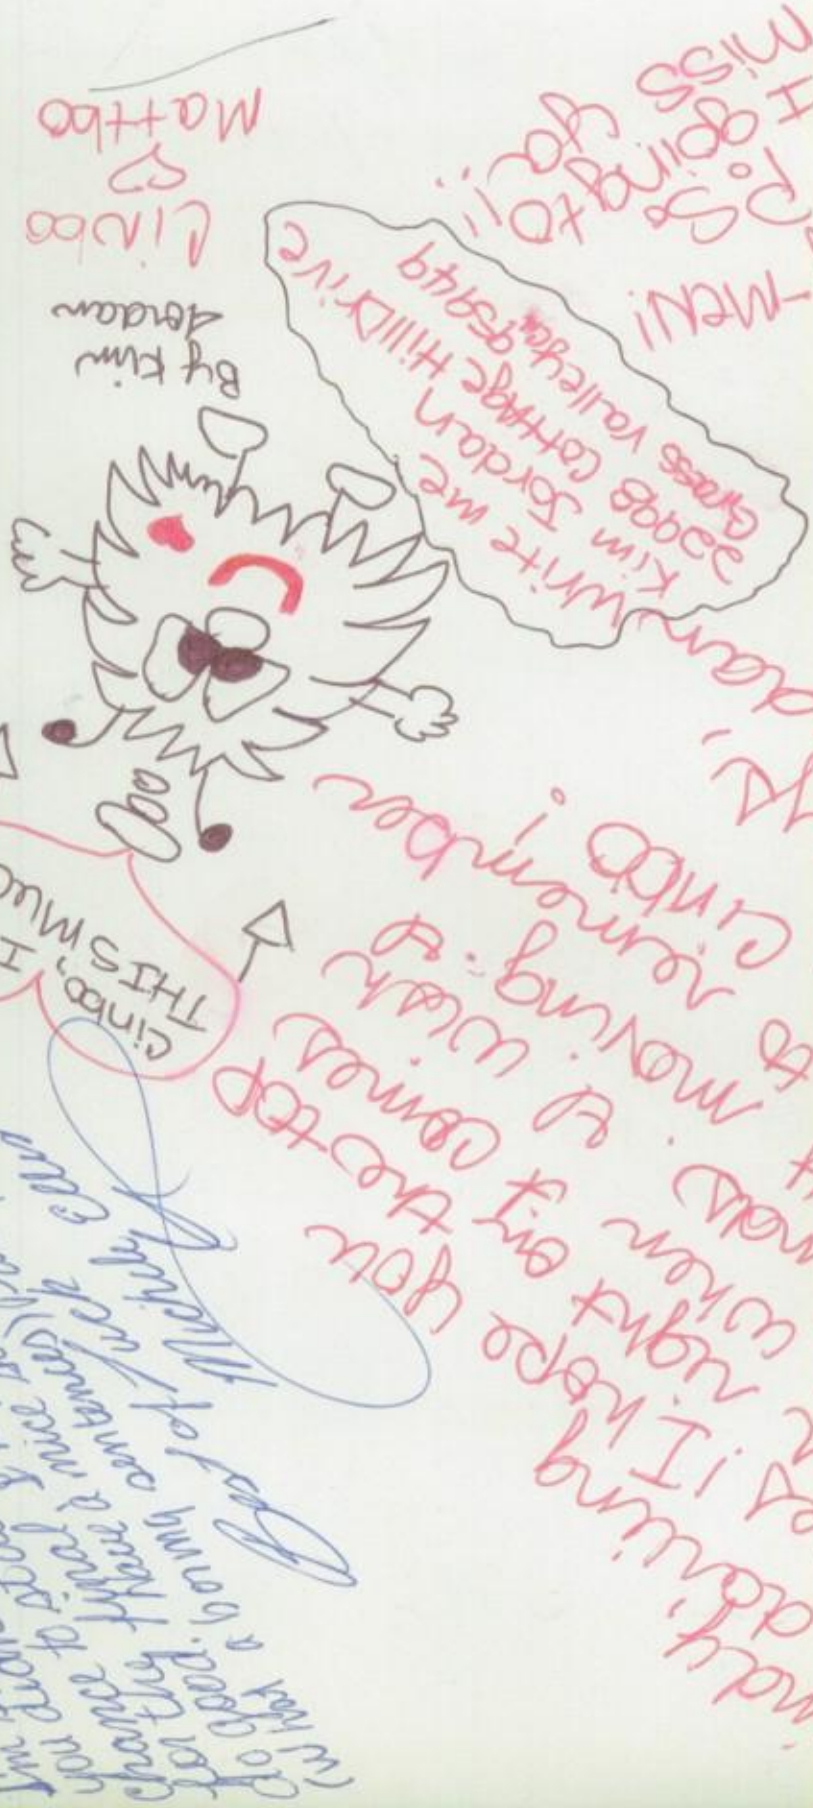
hi Cindy, you've been a real character! I like sitting by you in Jackoffs class. Hope you and Matt work out. Keep yourself a virgin and dont get pregnant. That doesn't make sense. Oh well I never do. Take care and dont do anything I would do.

Love

Joleen



Cindy, I LOVE THIS MUCH
Cindy, I hope you two-timing Matt gets a disease and dies. I'm glad you're not Melody and I'm glad you're not Barbara. Have a nice day!
Heard you're moving to Denver. Is that true? Have fun with your new boyfriend - Bucknell Dan!

Cindy, I'm sorry we didn't get to talk more and I'm sorry I'm such a bitch. Hope you have a great summer and I'll see you in Jackoffs class. Love Kim

cindy,

I think you are the sweetest kindest, friendliest, prettiest person in the world besides Shannon! I am so happy we got to be such good friends this year. You and matt are the cutest couple around I know you'll get married and I had better be invited! well you better be able to stay longer this summer! It seems as though you bring happiness wherever you go.

L.A.F.F I love ya lots,

Kelli

Cindy,

You're a fun gurl, I enjoyed having you in P.E. and part of Biology, even though you wouldn't let me cheat. See you next year, same place. Bye for now
